Cancer clinical trials mean trying a new treatment to fight cancer.

1. Cancer clinical trials may be right for you. Ask your doctor about clinical trials you can join TODAY!

2. Your health insurance company may cover the cost of cancer clinical trials!

3. Medi-Cal, Medicaid, or other programs may pay for cancer clinical trials, too!

4. Call (888) 729-0244

For information about cancer clinical trials, call (888) 729-0244
